**Subject:** Final Documents for Upload to ORD Site --more detailed CCTE documents to be sent to you tomorrow  
**Attachments:** ALL NRPs NCCT and CCTE Review RA-Output- Product Summary Table 190722.xlsx; CSS NCCT and CCTE Review Draft Products.docx

All—

- I have compiled reviews from Thomas, Gwinn, DeVito, Hoff, Singh, Kenneke, Young, Linnenbrink and Lambert (n=9) into the attached Excel sheet—the file has been stripped of all references to CCTE and reviewers names removed.
- I have parsed the Excel file into separate files specific to: AE, CSS, SHC, HHRA, SSWR
- I have compiled all previous written comments into one Word document (attached)
- I will upload the Excel sheets and the Word document to the ORD SharePoint site no later than tomorrow morning.

**ACTION Item:** Before 10 am tomorrow—please let me know if you have any additional input to either the Excel or Word files.

So as to avoid any confusion--I will distribute the more comprehensive CCTE files tomorrow to each of you after 10 AM tomorrow ( or let me know if you would like earlier and I will send).

Thanks.

John

Hi All—I would like to confirm that review updates. The attached sheet compares the original CCTE review file from 06/27 with the updated file that Amar sent. All changes are highlighted in yellow/orange. The sheet is sorted by CCTE Division. Columns are grouped for each reviewer. I would appreciate it if each reviewer could give it a quick look and see if the number and general location of the changes seems correct (i.e., you do not have to look at each individual product, I just want to make sure some gross changes I saw are not in error—for example the updated sheet has Amar and Maureen providing new comments on products that are not in their CCTE division- I just want to make sure that is correct-). Thanks..

John

Hi John,

The CCTE team worked on this excel sheet as a group and have our latest assessment/comments/suggestion for combining the products with few update on product due dates. In this current version we are missing Dale's work as somehow the excel sheet got misaligned when Dale copied his comments but I was able to rescue the file just before misalignment as we were working on shared file. Mike conveyed that he sent his comments to you and Rusty already so this should be the same.

@Dale can you send your changes directly to John.

Let me know if you have any questions.

Thank you,

Best,

Amar
